

Typography Practice Report

Objective: To improve visual communication using typography principles such as hierarchy, spacing, alignment, and font pairing.

Poster 1 – CREATE: Used Montserrat ExtraBold for strong visual impact and Open Sans for readability. The contrast creates a clear hierarchy.

Poster 2 – DESIGN: Used Poppins Bold with a purple background to create a modern and creative appearance.

Poster 3 – INNOVATE: Used bold typography with yellow emphasis to attract attention and communicate innovation.

Conclusion: Typography plays an important role in design by improving readability, visual appeal, and communication effectiveness.
