Preferred Qualifications: • Internship or prior experience in HR. • Knowledge of HR software tools.

Salary Range: ₹3,00,000 – ₹6,00,000 per annum

CONCLUSION

The Software Developer and HR Executive positions play important roles in organizational growth and success. While Software Developers contribute through technical innovation and software solutions, HR Executives support workforce management, employee engagement, and recruitment activities. Both roles require strong communication, teamwork, and professional skills to achieve organizational objectives.
